

Fact Sheet:

Central Business District/French Quarter Recovery Roads and Waterline Replacement

City of New Orleans
Department of
Public Works

Project Summary:

The City of New Orleans will implement a multi-million dollar, multi-year comprehensive infrastructure improvement program to repair Hurricane Katrina related sub-surface and road damages. Types of repairs deemed eligible for improvement by FEMA include utilities, sidewalks, American with Disabilities Act compliant ramps, driveway aprons, curbs and road paving.

Project Facts:

Phase I: Between 2008-2009, the City of New Orleans performed citywide repairs to approximately 17,000 damage sites at an estimated cost of \$66M. The total cost of Phase I repairs completed in the Central Business District/French Quarter area totaled approximately \$330,000.

Phase II: The Central Business District/French Quarter Recovery Roads and Waterline Replacement program will include multiple construction repair projects with a total estimated value of approximately \$6,800,000.

Replacement of the waterlines and pavement patching in the Central Business District/French Quarter is currently underway. The waterline replacement work in the Central Business District/French Quarter are being overseen by the Sewerage and Water Board of New Orleans in coordination with the Department of Public Works. Construction is scheduled to last through last through 2015.

What to expect during construction:

Residents and businesses in Central Business District/French Quarter should exercise caution when driving, bicycling or walking near active construction sites. Residents can expect to experience temporary construction inconveniences such as limited access to areas within the construction zones, detours, movement of heavy equipment, safety signage and sounds.

In general, construction crews will be working from 7 a.m. to 5 p.m., Monday through Friday. Burk Kleinpeter Inc. is the designer of record in the Central Business District/French Quarter area.

Funding Facts:

Neighborhood Area	Phase of Work	Consultants	Total Estimated Repairs
Phase I Completed Repairs	Completed	NA	\$330,000
Phase II Estimated Repairs	DPW Design	Burk Kleinpeter Inc.	\$6,800,000 *
	DPW Construction	TBD	
	SWB Design	NY and Associates	
	SWB Construction CBD/FQ	Boh Bros.	
TOTAL Repairs— Central Business District/French Quarter			\$7,130,000 *

* FEMA inspectors will be working onsite with the City's design and construction contractor teams. During construction they are likely to identify additional storm damages that may be eligible for repair. In many cases it is likely the scope of work may be adjusted to include additional repairs.
